

Welcome to FVSRA Summer Day Camp! We are excited to share information on this upcoming season. Please read through the packet and let me know if you have additional questions!

Sincerely,
Michelle Hastings
Day Program & Day Camp Manager

Camper Arrival/Departure

Camp staff will meet you and your camper outside to ensure communication is continuous between both parties. Make sure to check in with the staff and ensure they are ready to chaperone your camper to the campsite.

Persons unknown to the staff will be required to provide a form of photo identification to establish identity and parents will be contacted prior to the child's release if prior knowledge of the person was not obtained. This procedure is to ensure the safety of your child while in our care. If you wish to add individuals to the authorized list, you may do so by submitting changes in writing.

Parents/Guardians are also responsible for informing the FVSRA office of any changes to primary custody, restraining orders or any other situations or changes which may affect the camper. Authorized personnel are provided at the time of registration. If authorized personnel change, please contact the FVSRA office.

Traughber Jr. High
570 Colchester Dr., Oswego

Camp Director: Kyle
Assistant Site Director: Madigan

Camp Phone: 773-609-4484

Swim Days: Tuesdays/Thursdays

Tips for Success!

1. Pack a Backpack

Pack the bag with a lunch, snack, water bottle and sunscreen.

-For water swim or water play days, please bring a towel & bathing suit. Water shoes are also highly encouraged.

2. Dress for Success!

Please send your camper in closed toed shoes each day.

Groups will be playing games and running. Closed toed shoes with backs are essential to ensure safety for your camper.

3. Label-Label-Label

Remember to label everything your camper brings to camp.

Campers may misplace items or forget towels. Without a name, it is tough to find the owner!

4. Nutritious Lunch & Snack *Peanut Free*

Please pack a lunch with your camper along with a water bottle that can be refilled throughout the day. A healthy snack for your camper to enjoy during the day can give them the energy needed to be their very best at camp!

5. Sunscreen

It is important to provide sunscreen for your camper daily.

Important Tidbits

Site Directors

Each Site Director has been issued a camp phone number. Directors will have this phone on them before, during and after camp. If the Site Director is unable to answer the phone, please leave a message and they will return your call within 24 hours. Site Directors and the Day Camp Team will also be contacting you via email throughout the summer for general communication and weekly newsletters! If it is an emergency and you cannot reach the campsite, please call Michelle Hastings, Day Camp Manager, at 630-770-4717.

Swim/Water Play Days

Each camp will be transported weekly to a local community pool. We ask that you please provide a flotation device that is U.S. Coast Guard approved for your camper if they require additional assistance in the water. Please send your camper with a suit, towel, and sunscreen. Communication on swim and/or water play days will be sent home with your camper on a daily report sheet or through site director communication.

Weekly Field Trips

Camp will have weekly field trips this summer. Please make sure to have your camper in their FVSRA Day Camp t-shirt on field trip days. These dates will be indicated on the Newsletter and Daily Report Sheet. You will receive your FVSRA Day Camp t-shirt on your first day at camp.

Building Blocks Of Success

FVSRA is committed to the safety and well-being of participants and staff.

Campers will:

- Show respect to all participants and staff, take direction from staff.
- Refrain from using abusive or foul language.
- Refrain from causing bodily harm to self, other participants or staff.
- Show respect to equipment, supplies and facilities.

Medication Dispense Policy

Campers that need to receive medication during camp hour must submit a Permission to Dispense form. If medication has been approved, it must be delivered to the Site Director on-site at your child's campsite in **individually sealed medication envelopes, which include the campers' name, medication, dosage and time of day the medication is to be given to the camper.** The Permission to Dispense form can be found at FVSRA.org/forms
